BABY'S FACE MASS OF SORES

Ears Looked as if They Would Drop Off—Body Entirely Covered with Humor—Three Doctors Could Not Cure—Child Grew Worse.

CURED BY CUTICURA IN TWO WEEKS

Mrs. George J. Steese, of 701 Coburn St., Akron, Ohio, tells in the following letter of another of those remarkable cures of torturing, disfiguring skin humors daily made by Cuticura Soap, assisted by Cuticura Ointment, after physicians, and all else had failed: "I feel it my duty to parents of other poor suffering babies to tell you what Cuticura has done for my little daughter. She broke out all over her body with a humor, and we used everything recommended, but without results. I called in three doctors, they all claimed they could help her, but she continued to grow worse. Her body was a mass of sores, and her little face was eaten away, her ears looked as if they would drop off. Neighbors advised me to get Cuticura Soap and Ointment, and before I had used half of the cake of soap and box of ointment the sores had all healed, and my little one's face and body was as clear as a new-born babe's. I would not be without it again if it cost five dollars, instead of seventy-five cents, which is all it cost us to cure our baby, after spending many dollars on doctors and medicines without any benefit whatever."

ODD FELLOWS' HOME.

A Number of Guests Already Arrived For the Winter Season.

The Odd Fellows' Home and Sanitarium has opened for the season and everything about the grounds looks very interesting.

Several guests are stopping at the Home, among them being William and Guy Thompson of Pittsburgh, Pa., and Mr. and Mrs. J. C. Ryars and son Carrell of Humboldt, Tenn.

There are a number of patients in the hospital department, and they are all getting along nicely. Miss Beulah Hall is one of the new trained nurses lately arrived at the Home to assist Miss Lee, the matron and head nurse.

Miss Lee, who is now in charge of the Home, has everything as neat and tidy about the rooms as one could ask. She is an excellent person for the position and the board is fortunate in securing her services.

The matron requests The Sun to state that the hours for receiving visitors at the Home are from 9 to 11 a. m. and from 2 to 4 p. m.

LIVE OAK DEMOCRAT DESTROYED BY FIRE

The Entire Printing Plant is Totally Wiped Out.

ORIGIN OF FIRE IS UNKNOWN

The Daily Democrat Had Been Published But a Week—Sherwood & Pound, Owners, Lose Heavily—J. O. LaFontaine Was Editor of the Daily.

Live Oak, Nov. 13.—At 2 o'clock this morning the office of The Daily and Weekly Democrat was burned, and the origin of the fire is a mystery. The fire company responded quickly and did good work, confining the fire to the block in which it originated.

The Democrat owned one of the best plants in the State, being valued at over \$15,000, and was insured for less than half of that amount, \$3,500 worth of new material having just been installed.

The daily, which had had only one week's run, will be issued tomorrow from The Crescent office.

The Daily Democrat, of which J. O. LaFontaine, until lately city editor of The Times-Union, was the news editor, gave promise of being a splendid success, and the owners, full of pluck and determination, will push it to the front. The Weekly Democrat has always been successful, and is one of the most prosperous weekly newspapers in Florida. It has been an important factor in the progress of Live Oak and Sumner county, and its loss is felt by the people generally. It was in every respect an up-to-date paper.

The Sun and friends of Messrs. Sherwood & Pound and Mr. LaFontaine in Gainesville express their regrets at their misfortune.

No Poison in Chamberlain's Cough Remedy.

From Napier (New Zealand) Herald: Two years ago the Pharmacy Board of New South Wales, Australia, had an analysis made of all the cough medicines that were sold in that market. Out of the entire list they found only one that they declared was entirely free from all poisons. This exception was Chamberlain's Cough Remedy, made by the Chamberlain Medicine Company, Des Moines, Iowa, U. S. A. The absence of all narcotics makes this remedy the safest and best that can be had; and it is with a feeling of security that any mother can give it to her little ones. Chamberlain's Cough Remedy is especially recommended by its makers for coughs, colds, croup and whooping cough. This remedy is for sale by all druggists.

Death of Mr. Cabbage.

J. H. Cabbage, about fifty years of age, and for the past ten months night watchman at the Kelley mill, near the waterworks, died Sunday night, and was buried Monday. Deceased was a native of South Carolina, and had no relatives here. It is understood that he was a widower and leaves a child in South Carolina. In fact, it has been very difficult to secure any information relative to his people in South Carolina.
